

Schoolhouse Rock Live! Junior . . .

Tom, a school teacher nervous about his first day of teaching, tries to relax by watching TV. Suddenly, the Schoolhouse Rock bunch appear in his TV room and proceed to show him how to win his students over with imagination and music, through beloved Schoolhouse Rock songs that cover a variety of subjects: math, science, history and grammar.

Like the classic television series, Schoolhouse Rock Live! Junior is a hip, entertaining and educational treat that shows young people that learning can be as fun as you choose to make it.

The Byron Civic Theatre is a group of people committed to providing a vehicle for involvement in and exposure to the theatrical experience. This is accomplished through a variety of professional quality theatrical productions resulting in friendships, family experiences, personal and organizational growth and fun for everybody.

BCT was organized in 1995 by a group of individuals interested in bringing live theatre to the Byron area. Our organization produces four shows per year as well as outreach activities in the community. BCT has over 500 members and contributors who provide financial support to the theatre. The season culminates in the annual Gala where the Board of Directors throws a party for its many volunteers, members and theatre goers.
